

**War And Its Discontents:
Understanding Iraq And The U.S. Empire**

**Historians Against the War
National Conference
11-13 April 2008
Atlanta, Georgia**

**A Conference For Historians And Activists
Co-Sponsored by Peace History Society**

Join us in a conference with historically minded scholars, activists from a variety of social movements, graduate students, educators, artists, and independent researchers and writers.

Historians Against the War is a network of history teachers, scholars, and activists seeking to bring historical analysis to bear on U.S. foreign policy and its social/political impact.

For more information, visit <http://www.historiansagainstawar.org/> or email conf@historiansagainstawar.org
